NEW COMMERCIAL GARBAGE COLLECTOR

GFL is the new collector of commercial bin garbage for the town for the next four years.

They commenced work on Monday February 6.

Here is some information on the collection contract:

- Any business with a large bin (holds more than 5 bags of garbage) is required to use the town's collector and set up service with GFL as per the Solid Waste Management By-Law 06-16 unless the business is disposing of renovation or demolition waste.

- The Town released a contract for exclusive commercial franchise services and GFL was the successful bidder with the lowest overall prices to the commercial customers in Drumheller for the next four years.

- Businesses do not have a choice of their collector. They must switch to GFL as stated per By Law 06.16.

- Huxted was the exclusive franchise provider of this service for many years. That is the reason that their bins were located throughout our community. Huxted is no longer as service provider on contract to the Town of Drumheller.

- If you have any questions please contact GFL at (403) 265-0044 or drumheller@gflenv.com, or the Town at (403) 823-1330.
