Heritage Arts & Culture Grant Application

The Drumheller Arts & Culture Grant is an initiative from the Heritage, Arts & Culture Board to encourage Arts & Culture Initiatives across the community. This is a 50% matching grant up to \$1,000.00 per initiative. Through this grant, residents are eligible to access funding through the Town of Drumheller to assist with arts & culture related activities. Funding monies would be released prior to the date requested.

Projects criteria:

- Not for standard operating costs – but can be used to purchase specific equipment, incidental and consumable costs related to the activity. (eg. Classes for disabled)
- Accessibility to others (must be open to the public and not require club membership – although the general public can purchase tickets)
- Proof of costs – the proposal should include the budget and be taking place at a future date.
- Priority will be given to new events, however all projects will be evaluated and awarded based upon merit. Applications will be reviewed on a first come first serve basis. There is a limited budget and not all applications will be approved.
- After the event, the applicant will provide a completed budget showing use of all funds together with photographic proof of the event. Failure to produce these documents could result in repayment of the grant being required.
- Event/project must be within the corporate limits of the Town of Drumheller.
